

As the year comes to a close, the team at Access Ability wants to send you our warmest wishes. The holiday season can bring unique challenges, and we want to acknowledge the effort, resilience, and progress made by the individuals, families, and professionals we work with every day.

This year, we saw all of our young people achieve their goals of securing a work placement, with several individuals achieving the fantastic milestone of gaining paid employment. This progress is a testament to the power of understanding, acceptance, and dedicated support.

Learning and Skills

Food Prep - Gingerbread

Our service users have been getting into the festive spirit by cooking some Christmas themed gingerbread in food prep.

Our service users tested their hand-eye coordination by decorating these yummy treats and are well and truly ready for Christmas.

Charity Appeal

This festive season, many local families are struggling. We have been running a dual appeal for Blackburn Food Bank and 2BR Christmas Toy Drive.

We hope to make this a festive time for all families in Blackburn no matter what their circumstance.
